

## CALL FOR POSTERS

**NanoInnovation 2023, Conference and Exhibition**, will be held on September 18-22 in Rome, remotely and in attendance at the Faculty of Civil and Industrial Engineering of “Sapienza” University of Rome.

Leading companies, research organizations and institutions active at national and international level in the development of nanotechnologies, will cooperate and contribute to **NanoInnovation 2023**, jointly organized by **Nanotaly Association** and **AIRI - Italian Association for Industrial Research**.

NanoInnovation is a reference event for the wide and multidisciplinary community involved in the study and development of micro and nanotechnologies and in their integration with other enabling technologies (KETs) in all application fields.

The five-day programme is strongly oriented toward the **applicative aspects of nanotechnologies**, with contribution from acknowledged national and international speakers from academia and industry.

**Call for Posters submissions form is available on line in the reserved area of the conference website, which can be accessed directly by clicking here: [www.nanoinnovation2023.eu](http://www.nanoinnovation2023.eu).**

**Posters have to be prepared following the submission guideline.**

Contributions should address scientific and industrial developments in **application sectors relevant for nanotechnologies and their integration with KETs** including:

*AGRI-FOOD | ADVANCED MATERIALS | CHIPS & MICRO-NANO ELECTRONICS | CULTURAL HERITAGE & RESTORATION | ENERGY & ENVIRONMENT | HEALTH & NANOMEDICINE | INDUSTRY 4.0, ADDITIVE & 3D MANUFACTURING | INNOVATIVE and SMART TEXTILES | MICROSCOPY AND NANOCHARACTERIZATION | QUANTUM TECHNOLOGIES | SOCIAL IMPACTS & ETHICS | TRANSPORT, SPACE and AERONAUTICS*

Contributions will be selected by the Organizing Committee on the basis of the scientific quality, innovative aspects and of the relevance with respect to the conference themes and objectives.

***A limited number of posters will be also selected for presentations in technical-scientific symposia. The application-oriented and innovative character of the contribution will be among the criteria for selection.***

Authors are requested to indicate in the submission form their availability for a presentation.

Poster presentation is subject to a **fee of 100 euro + VAT**, to be paid before the event. A formal invoice will be sent according to the author's indications in the online poster form. Poster display without payment confirmation will not be allowed.
